

DecoForme Care & Maintenance

DecoForme decorative batten products are manufactured in Australia using the highest quality materials and designed to provide years of trouble free service. Whilst your battens are made from a Moisture Resistant Medium Density Fibreboard (MR MDF) and as with any wood based panel cannot be made totally waterproof, care should be taken to wipe up spills immediately, ensuring the battens are not exposed to high or continuous levels of moisture, steam and humidity. **Adhesive materials such as sticky tape, masking tape, or any sticky material may cause damage to the DecoForme decorative paper overlay when applied directly to the surface.**

General Cleaning

Using a mild household spray wipe down the surface with a soft cloth. Dry using a soft cloth so as not to leave any cleaning solutions on the surface.

Always ensure that you refer to the recommendations provided by the cleaning product manufacturer before use.

To ensure that your **Impress Panels** warranty will not be void, **DO NOT** use any of the following on **DecoForme** decorative battens: Commercial Cleaning Products, Abrasive Cleaners, Scouring Pads or Abrasive Papers, Acids and Alkalis, Solvents, Thinners, Turpentine (Turps), Ammonia, Bleach, Acetone, Easy-Off BAM!, M.E.K. or any other cleaning agents containing organic solvents or the above mentioned products. Avoid contact with sharp implements.

Where products are installed in a kitchen environment use range hoods whenever cooking, to avoid steam and cooking oil vapours from adversely effecting surfaces. Failure to follow the above care instructions may result in damage to your **DecoForme** product and void your entitlement to any warranty.

Please note: Impress Panels provide a limited five (5) year warranty on all DecoForme decorative batten products which ensures against design, workmanship and manufacturing defects. If you detect any problems with your product, Impress Panels must be notified within five (5) years from the date your decorative batten was manufactured. Failure to follow the above care instructions may result in damage to your decorative batten and void your entitlement to the warranty. Impress Panel's warranty does not cover wear and tear. For more information, refer to the Impress Panels Products Limited Terms & Conditions document.
